

Iraqi energy storage investment company

Does TotalEnergies invest in Iraq?

TotalEnergies is investing in oil, gas and solar energy projects worth \$27 billion in Iraq, returning to the country where the French company made its first energy discovery nearly a century ago.

What is the largest foreign investment in Iraq's history?

The \$27 billion agreement signed in Baghdad on Monday, July 10, 2023, after years of negotiation marks the largest foreign investment in Iraq's history. (AP Photo/Nabil al-Jurani, File) FILE - A Iraqi woman fans her child during a power outage at their home in Baghdad, Iraq, Thursday, July 6, 2023.

Is foreign help enough to fix Iraq's energy problems?

Foreign help is not enough to fix energy issues, domestic reform is necessary. This past July, Iraq and France's TotalEnergies finalized the Gas Growth Integrated Project, a \$27 billion energy deal aimed at Iraq's natural resources and improving the country's electricity supply.

Who owns Iraq's gas growth integrated project?

Iraq's state-owned Basrah Oil Company will take a 30% stake in the so-called Gas Growth Integrated Project, TotalEnergies said, confirming an announcement made by Iraqi authorities Tuesday evening. TotalEnergies has also invited QatarEnergy to take a 25% stake in the project, while the French energy giant will hold a 45% interest.

Can Iraq's gas growth integrated project overcome corruption and political instability?

But that's only if the parties implementing the agreement can overcome the endemic corruption and political instability that has undermined Iraq's oil sector for more than two decades. The Gas Growth Integrated Project focuses on bolstering the country's oil-rich but underdeveloped Basra province.

How will OPEC help Iraq's water resources?

The project also includes the construction of a seawater treatment plant that would relieve the pressure on Iraq's water resources, and a solar power plant to be built with Saudi Arabia's ACWA Power that would supply the local grid. Iraq is an OPEC member with some of the world's largest oil reserves.
